DEEP CLEANING

INCLUDED

Detailed exterior cleaning of safely reachable ceiling fans, light fixtures without disassembly, bathroom/AC vent faces, ledges, and high-detail surfaces.

04

Baseboards

REGULAR UPKEEP

INCLUDED

Spot attention only; full baseboard spraying and wiping is not part of Regular Upkeep.

DEEP CLEANING

INCLUDED

Reachable baseboards are sprayed and wiped across the whole-home scope.

ROOM-BY-ROOM • 3 OF 8

Whole Home & Living Areas

05

Vacuuming and mopping in whole-home scope

REGULAR UPKEEP

INCLUDED

Normal vacuuming and mopping of open accessible areas with ordinary edge attention.

DEEP CLEANING

INCLUDED

Vacuuming and mopping with added reachable perimeter, corner, and stuck edge-grime attention; restoration and specialty floor work remain separate.

07

Accessible floor areas under beds and couches

REGULAR UPKEEP

INCLUDED

Under an accessible bed is vacuumed only when the floor path is already clear. Items blocking the path or stored underneath are not moved. Couch access is not included with Regular Upkeep.

DEEP CLEANING

INCLUDED

The Regular under-bed rule remains included. Under an accessible couch is cleaned when the path is clear; behind it is cleaned only when the couch is lightweight and safe to move for access. Blocking items are not moved.

ROOM-BY-ROOM • 4 OF 8

Whole Home & Living Areas

09

Clean around small items without moving them

REGULAR UPKEEP

INCLUDED

Included when the customer prefers items left in place or surfaces are not safely clear.

DEEP CLEANING

INCLUDED

Available when items should remain in place; Deep otherwise includes moving and returning up to 20 eligible lightweight items.

10

Move and return up to 5 eligible lightweight items total

REGULAR UPKEEP

INCLUDED

Included across the cleaning; eligible small, lightweight items only. This allowance does not relocate items blocking under-bed or under-couch access.

DEEP CLEANING

FINAL REVIEW • 1 OF 2

Before your appointment.

Access, item, and interior rules that prevent surprises.

01

Clear access

Under-bed and under-couch work requires a clear floor path. Stored or blocking items are not moved. A lightweight couch may be moved only when safe and only for Deep, Move-In, or Move-Out access.

02

Empty interiors

Cabinet, drawer, pantry, and closet interiors are cleaned only when the service includes them and the spaces are empty and safely reachable. Contents stay in place unless separately confirmed.

03

Item-moving limits

Regular, Move-In, Move-Out, and Targeted Deep include up to 5 eligible lightweight items. Whole-home Deep includes up to 20. Larger, fragile, excluded, or special-handling items require confirmation.

FINAL REVIEW • 2 OF 2

Before your appointment.

Materials, approval, and move-service boundaries.

04

Materials and condition

Closer attention applies only where materials can be treated safely. Excessive blinds, sensitive or non-wipeable materials, severe buildup, permanent staining, etching, corrosion, or damaged grout may require review.

05

Add-ons and approval

Anything marked Itemized Add-On or Confirm First is not included unless it appears in your written quote or appointment confirmation. Standard coverage assumes normal condition and safe, ordinary access.

06

Move-In and Move-Out

These services follow the Deep methods shown in this guide, while retaining their own starting price, appliance allowances, and up-to-5 eligible-item limit.
