## ROOM-BY-ROOM

# Whole Home & Living Areas

Normal reachable surfaces, floors, access, interiors, blinds, and windows.

01

## Reachable dust, cobwebs, surfaces, and touchpoints

### REGULAR UPKEEP

INCLUDED

Maintenance dusting and wiping on normal safely reachable surfaces and visible touchpoints.

### DEEP CLEANING

INCLUDED

More complete reachable high-and-low dusting, ledges, top edges, corners, cobwebs, surfaces, and touchpoints.

02

## Doors, handles, frames, and switches

### REGULAR UPKEEP

INCLUDED

Visible dust and spot attention in maintained condition.

### DEEP CLEANING

INCLUDED

Full reachable wipe where needed, including handles, switch plates, frames, and door surfaces.

03

## Reachable fixtures, fans, vents, and ledges

### REGULAR UPKEEP

INCLUDED

Visible dust touch-up only when needed and safely reachable; ceiling fans and vent faces are not fully cleaned.

### DEEP CLEANING

INCLUDED

Detailed exterior cleaning of safely reachable ceiling fans, light fixtures without disassembly, bathroom/AC vent faces, ledges, and high-detail surfaces.

04

## Baseboards

### REGULAR UPKEEP

INCLUDED

Spot attention only; full baseboard spraying and wiping is not part of Regular Upkeep.

### DEEP CLEANING

INCLUDED

Reachable baseboards are sprayed and wiped across the whole-home scope.

05

## Vacuuming and mopping in whole-home scope

### REGULAR UPKEEP

INCLUDED

Normal vacuuming and mopping of open accessible areas with ordinary edge attention.

### DEEP CLEANING

INCLUDED

Vacuuming and mopping with added reachable perimeter, corner, and stuck edge-grime attention; restoration and specialty floor work remain separate.

## WHOLE HOME &amp; LIVING AREAS

1

2

3

4

07

## Accessible floor areas under beds and couches

### REGULAR UPKEEP

INCLUDED

Under an accessible bed is vacuumed only when the floor path is already clear. Items blocking the path or stored underneath are not moved. Couch access is not included with Regular Upkeep.

### DEEP CLEANING

INCLUDED

The Regular under-bed rule remains included. Under an accessible couch is cleaned when the path is clear; behind it is cleaned only when the couch is lightweight and safe to move for access. Blocking items are not moved.

09

## Clean around small items without moving them

### REGULAR UPKEEP

INCLUDED

Included when the customer prefers items left in place or surfaces are not safely clear.

### DEEP CLEANING

INCLUDED

Available when items should remain in place; Deep otherwise includes moving and returning up to 20 eligible lightweight items.

10

## Move and return up to 5 eligible lightweight items total

### REGULAR UPKEEP

INCLUDED

Included across the cleaning; eligible small, lightweight items only. This allowance does not relocate items blocking under-bed or under-couch access.

### DEEP CLEANING

INCLUDED

Included as part of the larger Deep allowance of up to 20 eligible lightweight items total. This allowance does not relocate items blocking under-bed or under-couch access.

14

## Final detail inspection

### REGULAR UPKEEP

INCLUDED

Normal completion review of the confirmed maintenance scope.

### DEEP CLEANING

INCLUDED

Dedicated second detail pass on bathrooms, kitchen, baseboards, windows, and high-value detail zones.

15

## Cabinet and closet exteriors

### REGULAR UPKEEP

INCLUDED

Maintained-condition spot wipe and visible dust attention.

### DEEP CLEANING

INCLUDED

Full reachable exterior wipe where needed, including handles and edges.

## WHOLE HOME &amp; LIVING AREAS

16

## Cabinet, drawer, pantry, or closet interiors

### REGULAR UPKEEP

ITEMIZED ADD-ON

Regular base service excludes cabinet interiors. The \$98 cabinet-interior package adds safely reachable interior cleaning and temporary move-and-return of up to 50 eligible small lightweight items when needed for access.

### DEEP CLEANING

INCLUDED

Empty, safely reachable cabinet, drawer, pantry, or closet interiors are included. If eligible contents block access, the \$49 cabinet-access handling upgrade covers temporary move-and-return of up to 50 eligible small lightweight items.

17

## Interior windows & mirrors

### REGULAR UPKEEP

INCLUDED

First 3 selected standard-size interior window/mirror units under 6 ft are included; additional standard units are \$4 each. Extended-size units measuring 6 ft or more are \$19 each separately. Routine bathroom vanity mirrors do not double-count.

### DEEP CLEANING

INCLUDED

First 10 selected standard-size interior window/mirror units under 6 ft are included; additional standard units are \$4 each. Extended-size units measuring 6 ft or more are \$19 each separately. Routine bathroom vanity mirrors do not double-count.

18

## Eligible normal-size blinds

### REGULAR UPKEEP

ITEMIZED ADD-ON

\$9 per selected eligible normal-size blind from the first. Safe dusting or wiping is done only while installed, when the material allows it.

### DEEP CLEANING

INCLUDED

First 4 eligible normal-size blinds are included; additional eligible blinds are \$9 each. Oversized, fragile, damaged, specialty, unsafe/high-access, tool-required, or material-incompatible blinds require review.

19

## Interior / exterior sliding-door track sections

### REGULAR UPKEEP

ITEMIZED ADD-ON

\$24 per selected eligible safely reachable interior or exterior sliding-door track section from the first.

### DEEP CLEANING

INCLUDED

First 3 selected eligible track sections are included; additional eligible sections are \$24 each. Severe corrosion, restoration, unsafe access, damaged hardware, heavy construction residue, or other non-routine conditions require review.

24

## One selected lanai, porch, garage, or storage area

### SERVICE-SPECIFIC

ITEMIZED ADD-ON

Standard +\$59 or Heavy +\$99. In the \$349 Move-Out package, one Standard outdoor/utility area is included; Heavy is +\$39. Multiple, unusually large, unsafe, clutter-blocked, restoration, pressure-washing, or specialty areas require review.

26

## Jalousie window panes wiped while installed

### REGULAR UPKEEP

ITEMIZED ADD-ON

\$1 per safely accessible installed pane from the first pane.

### DEEP CLEANING

## Before your appointment.

Access, item, material, approval, and move-service rules that prevent surprises.

01

## Clear access

Under-bed and under-couch work requires a clear floor path. Stored or blocking items are not moved. A lightweight couch may be moved only when safe and only for Deep, Move-In, or Move-Out access.

## BEFORE YOUR APPOINTMENT.

1

2

02

## Cabinet access & contents

Cabinet, drawer, pantry, and closet interiors are cleaned when the service includes them and the spaces are empty and safely reachable. When eligible contents block access, the confirmed cabinet-access package may cover temporary move-and-return of up to 50 eligible small lightweight items.

03

## Item-moving limits

Regular Upkeep and Targeted Deep include up to 5 eligible lightweight items; 6-20 is +\$19 and 21-50 is +\$49. Deep, Move-In, and Move-Out include up to 20; 21-50 is +\$29. More than 50 or special handling requires review.

04

## Materials and condition

Closer attention applies only where materials can be treated safely. Oversized, fragile, damaged, specialty, unsafe/high-access, tool-required, or material-incompatible blinds require review. Sensitive or non-wipeable materials, severe buildup, permanent staining, etching, corrosion, or damaged grout may also require review.

05

## Add-ons and approval

Anything marked Itemized Add-On or Confirm First is not included unless it appears in your written quote or appointment confirmation. Standard coverage assumes normal condition and safe, ordinary access.

06

## Move-In and Move-Out

Move-In follows Deep methods and keeps its own start/appliance allowances. Move-Out starts: \$299 = Light first oven cavity + first empty standard-size fridge/freezer; \$349 = Standard for both + one Standard outdoor/utility area. Upgrade only the difference: \$299 package Standard appliance +\$24 / Heavy +\$44 each; \$349 package Heavy appliance +\$19 each / Heavy area +\$39. Included scope has no cash/refund value.
